SIC FOCUS FOR 2013-2014

The School Improvement Council focused on working to increase community awareness of our programs by developing a logo to enhance the name awareness of our school and to incorporate our school tag line. A huge thank you to committee member, Lynn Nelson, owner of Amazing Threads, who took the committee's suggestions and created a graphic free of charge for the school.

Events that enhance community and educational awareness of Bonds Career Center:

- 10th graders from all feeder high schools toured in November and December
- Prospective Student Night in January for interested students and their parents
- *Keys to Your Future* Event in April for students to hear community speakers, participate in mock interviews, and ask questions of local businesses leaders and college and military representatives
- Participation in elementary, middle, and high school career fairs
- Riverside Middle, Sevier Middle, Greenville Middle, Greer Middle, and Blue Ridge Middle eighth graders tour Bonds CC
- New Student Night drop-in for students who have been accepted for the 2014-15 school year
- Brochure available at the Greer Chamber of Commerce
- Selected for feature article in the annual *Experience Greer* magazine
