Enoree selects students of the month in each program at the school. Students of the year in each program were recognized at the Center's awards day, as well as director's awards winners, citizenship awards winners and scholarship recipients. Outstanding students are awarded membership in the National Technical Honor Society.

Enoree offers single semester introduction courses in almost every program at the center. Enoree maintains a great degree of flexibility in classes and curriculum in order to meet the needs of our students, their home base schools, and the community around us. Our goal is to prepare our students for the next step, whether it is entering the work force or continuing their education in a post-secondary environment.
