

SIC ANNUAL PARENT REPORT 24-25

MISSION STATEMENT

The mission of Pinecrest Elementary School is to inspire Scholars and Leaders by creating a safe environment, nurturing our diverse community, motivating all students and inspiring lifelong learning.

This year has been a wonderful year of learning at Pinecrest! Pinecrest was named an ESEA National Distinguished School for Growth. The teachers have worked especially hard to prepare our students for the next level. In grades 3-5, the students showed great progress on the MAP test in the early Spring. Our projected proficiency report for SC READY shows that our students are right on track to make Meets or Exceeds on the state test.

Our Kindergarten-2nd Grade students have made tremendous growth in reading and math and are showing they are ready for the next grade!

This year we did Fall In Love with Reading Night and we had some wonderful music performances!

We are already planning lots of really fun family nights at PIN for the 25-26 school year!
