

BREWER MIDDLE SCHOOL

YEAR IN REVIEW 2024–2025

Celebrating Success, Growth, and Exciting Changes Ahead!

Dear Brewer Families,
As we wrap up another incredible school year, we want to take a moment to reflect on the many achievements and milestones we've reached together. From academic progress to athletic victories, our students and staff have truly made this a year to remember!

“Be 1% better today than you were yesterday!”- Mr. Salliewhite

Academic Growth – MAP & SCREADY Success

- Our 7th and 8th grade students showed growth in their MAP scores, demonstrating focus and dedication in the classroom.
- Thank you to our amazing teachers and support staff for helping students reach new academic heights!

Student Spotlight – Beta Club & Academic Challenge

- Congratulations to **Layla Brown**, who represented our school and **won state** for **Beta Club**! Her achievement is a shining example of student leadership and excellence.
- Our **Academic Challenge Team** placed **4th in the region**, showcasing academic strength, teamwork, and critical thinking under pressure. Great job, team!

TITLE I – BIGGER TEAM, SMALLER CLASSES

We're excited to share that our school will become a **Title I school next year**, which allows us to add **four additional teachers**! This means smaller class sizes and more individualized support for every student. We can't wait to see the benefits this brings!

PBIS – POSITIVE BEHAVIOR PAYS OFF

We celebrated student success through our PBIS program, where students earned Brewer Bucks and Positive Office Referrals for showing respect, responsibility, and resilience. Keep up the great work – we're proud of your positive choices!

Brewer Middle School proudly offers both ACTS and AVID, providing students with enriched academic opportunities and support to prepare for college and future success.

SPORTS SPOTLIGHT – CITY CHAMPIONS!

We're proud to announce that our **Football, Basketball, and Soccer** teams were all crowned **City Champions** this year! Our student-athletes showed unmatched dedication, teamwork, and Bulldog spirit. Congratulations to our coaches and players for bringing home the titles!

ACCELERATED READER – BUILDING A LOVE FOR BOOKS

This year, Accelerated Reader helped fuel students' excitement about reading. Through friendly competition and personal growth, our young readers logged countless pages, discovered new favorites, and strengthened their literacy skills!

MENTORING PROGRAMS – LEADING WITH HEART

We continue to nurture the whole student with two impactful mentoring programs:

- **Against the Grain:** A dynamic **boys' mentoring program** focused on leadership, character, and community.
- **Glena's Girls:** A powerful **girls' mentoring program** helping young women build confidence, self-worth, and sisterhood.

ACTS PERFORMANCE ANNOUNCEMENT – “The Little Mermaid”

Our talented ACTS performers are diving into a magical adventure next year with their production of “The Little Mermaid”! Get ready for an unforgettable show filled with music, dancing, and under-the-sea magic.

Thank you for being a part of our school community. Your support, encouragement, and partnership help us build a brighter future for every student. We look forward to an even more exciting year ahead!

**With appreciation,
Mr. Salliewhite
Principal**
