

School Renewal Goals

Student Achievement:

- Increase the percentage of students scoring met or above on PASS in all subject areas

Teacher Leadership Quality:

- Increase the implementation of effective integration of technology.

School Climate:

- Decrease the number of office referrals through the implementation of Positive Behavioral Interventions and Supports.

Supporting Activities:

- Balanced Literacy instructional approach in ELA
- Update school and classroom libraries to support Balanced Literacy instruction and Common Core standards
- RTI (Response to Intervention)
- Utilize weekly spiral math materials to support math instruction
- Update Technology in the classroom as needed
- Implement Project based learning
- Provide professional development activities for all content areas, technology, Professional Learning Communities, and PBIS.
- Disaggregate CPAA, MAP, PASS, and other teacher created test data to identify student needs
- Develop and maintain class web pages
- Maintain parent communication through class newsletters, class and school web pages, marquee information, parent conferences, etc.
- Offer a variety of family oriented activities such as Birthday Lunch, Grandparent's Night, Talent Show, ESOL Night, Books and Breakfast, School Carnival, Fine Arts Night, Community Events, etc.

Grade 5 MAP results exceeded the national and district averages in math and exceeded the district average in reading.

Springfield's Mission Statement:

The mission of Springfield Elementary School is to engage our students in learning for success.

Our Beliefs:

- Children are our focus.
- Educational success is the shared responsibility of students, families, and our school community working together.
- Children learn best when basic human needs are satisfied.
- Everyone is entitled to respect, encouragement, a safe and nurturing learning environment, and appropriate educational facilities.
- All students learn best with, and deserve, quality instruction that addresses individual needs and provides appropriate support services and establishes high expectations.
- Learning is a lifelong process that improves the quality of life.
- Dedicated, highly qualified and highly effective teachers and other staff are essential and valuable assets in educating our children.
