School Theme "It's Your Story"

Our goal is to build scholars in our school in academic and extracurricular activities.

The theme "It's Your Story" illustrates how a child's growth matters and the importance of promoting literacy in all curriculum areas. Each day they are adding to their story of life. As young scholars, they must learn to embrace it.

Scholar Of the Month

Students are recognized monthly for demonstrating positive character traits, good work ethics, and values.

Students are given a scholar of the month trophy and certificate. They are also recognized on social media platforms for their achievement.
