PURPOSE

The purpose of Greenwood School District 52 is to educate all students to achieve their full potential and become productive citizens in today's society.

DIRECTION

To impact students to change the world

BELIEFS

- Children are our first priority in all decision-making processes.
- All children should have equal access to a quality education addressing their individual needs.
- Children deserve the services of highly qualified instructional and support service personnel.
- Students benefit from a safe, orderly facility where a learning environment of mutual respect for diversity thrives.
- Stakeholder involvement from parents, community, and business partnerships ensures student success.
- All students will learn to read on grade level by the end of 3rd grade, and from 4th grade to high school they will read to learn content required to be college and career ready as required in SC Read to Succeed legislation.
- Students will be college and career ready when graduating from high school.
- Each district employee is a valuable asset in educating children.
- Students learn best when they feel valued and their needs are met.
