North District Middle School is a student-centered school that embraces initiatives which focus on student learning and academic achievement. We research and utilize proven “Best Pedagogical Practices” to meet the needs of all our students.

School Hours:
8:10 a.m. - 3:15 p.m.

Student Enrollment— 290

Grades 7th - 8th

The Task Ahead of You
Is Never As Great
As The Power Behind
You!!

STAFF EMPOWERMENT

North District Middle School has adopted, “Together We Can !!” as our school-wide theme. Our philosophy is, if we are going to prepare the entire student for high school. This student focus is designed so each student will have a chance to meet the requirements of the Profile of the SC Graduate, we must be work together and be focus on the total outcome. We must be focused when planning lessons, focused when teaching lessons, focused in our assessment, and most of all focused in our preparation

- High Progress Literacy-Processes to engage all students in reading, writing, and researching challenging, grade-appropriate text.
- STEMS Training – All science and math teachers are being trained to understand what rigorous instruction and effective teaching practices are. Teachers’ knowledge of content and Common Core Standards is being increased and they are learning about the interconnectedness of STEM disciplines so they can help students master these content areas.
- Professional Development— Teacher professional development is any type of continuing education effort for educators. It’s one way teachers can improve their skills and, in turn, boost student outcomes. Learning can take place in formal or informal settings. Formal settings include conferences, courses, seminars, retreats and workshops .

Community Involvement

- Monthly food distribution program in conjunction with The Low-Country Food Bank and Feed America Program.
- The BETA Club sponsored a “Can food Drive” to give away to needy families during the holiday season.
- North District Middle participates and hosted several vaccine clinics
- The school will host Steve Smith Shooting STARS in August.
- The art classes worked on school beautification by posting art in various locations around the school.
- North District Middle School hosted a Gulo Gulo community treat night
