

Fennell Elementary School Report to the Parents 2021-2022

Fennell Elementary School is helping all students develop the world class skills of life and career characteristics of the profile of the South Carolina Graduate by 2022. We are working and growing as a community of learners to provide skills necessary for the world of work. We are engaging students and parents in developing soft skills, communication, and collaboration. We will continue to use the PLC model to enhance teaching and learning skills.

We are providing opportunities for all students to engage in hands-on experiences, critical thinking, communication, collaboration, and creativity by using active learning components and dealing with COVID-19:

- Science Lab, Steam activities, Acellus Lab, Z-Space Computers, and ActivPanel Boards and 3D printer to produce world class skills of the South Carolina Graduate
- A School Garden and Outdoor Classroom
- A school greenhouse
- Provide enrichment and intervention to improve reading skills to impact student growth and diminish retention in third grade
- Continue to supplement teaching by using state of the art technology
- Continue the use of Master/Mentor Teacher to support teachers in improving teaching and learning
- Provide tutorial assistance for our needed students in Math and Reading
- Purchase volumes of leveled books for all classrooms
- Provide a reputable school climate and a beautiful school environment
- Literacy Coach providing support in reading strategies using leveled text
- Continue a Magnet School setting for life-long learning skills through authentic investigation and discovery
- Dedicated district staff, teachers, parents, motivating students and staff working as a team to ensure academic growth for all students

Thanks to the parents, students and staff for your partnership and enviable spirit during these hard and challenging times

We are committed to quality education for all students. It is our goal to continue to give each child the opportunity to excel and grow in a learning and positive environment to meet the challenges of the 21st Century.

Melissa Moore Mullen, School Improvement Council Chairperson

Willie Coker, Principal
