- **Excellent rating on the school report card from 2012-2019, 2022**

Students participate in STAR testing, Fountas and Pinnell, and state testing yearly. During weekly collaborative team meetings, teams utilize data from these sources along with common formative assessments to reteach and extend learning. Our school is committed to becoming a stronger Professional Learning Community in the coming years.

Our preschool program was strengthened this year by an additional 4K classroom giving us three full-day programs. This has given us the opportunity to serve 60 four years olds this school year.

Cedar Grove Elementary continues to be committed to our students, families, and community. We seek ways to build relationships and nurture the whole child both academically and emotionally.

Each morning, we chant our school pledge:

Work Hard, Dream Big, Smile Often, and NEVER Give Up!

Cedar Grove Elementary is a wonderful place to learn!
