

April 2014

Dear Parents,

The Aynor High School faculty/staff and administration in conjunction with the AHS School Improvement Council are pleased to present the April 2014 Aynor High School Summary Report. This report will provide a detailed and comprehensive view of our school. The report will discuss progress made on our school's strategic plan for increasing student performance and reaching all applicable goals.

If you have any questions about information in this report or want a copy of the school's strategic plan, please call (843) 488-7100.

Janet Lawrence-Patten, Principal

Goals to Be Accomplished by 2016

Strategic Plan Objectives and Tactics

Objectives

- To have each student prepared to successfully meet his or her next educational/career endeavor.
- To have each student achieve mastery of established performance standards.

Tactics

- We will involve parents and the community in the learning process of all students.
- We will implement innovative educational methods and personalize education to address the individual learning style of each student.
- We will provide a safe learning environment conducive to the education of students.
- We will foster a climate of mutual trust and respect that enhances and celebrates the achievements of all and is inclusive of all.
