Additional Information

Green Sea Floyds Middle/High School is a rural Title One School composed of 636 students. While small and diverse, GSF offers students many opportunities to participate in clubs, sports and fine arts events which are comparable to larger schools. We have an outstanding faculty who are willing to work with students before and after school as necessary to ensure student success.

We also offer students many online programs which they may access at school or home. Some of these are as follows:

- ALEKS
- Achieve3000
- USA TestPrep
- Compass Learning
- No Red Ink
