School Summary Report

Loris Elementary

The mission of Loris Elementary is to educate students to be contributing, productive, and responsible citizens by providing challenging instructional programs, effective teaching and active learning in a safe and positive environment.

Another Banner Year!

Dear Friends of Loris Elementary, This *School Summary Report* has been developed in compliance with state law Act 135 and its purpose is to provide current demographic information, student assessment data and list accomplishments made by staff and students during the 2013-14 school year.

We believe you will be delighted in the many celebrations LES staff and students have to share. The staff has worked diligently this year to provide the most effective learning environment for students. Teachers analyzed assessment data and used that data to strategically inform instruction. They also participated in ongoing staff development and

training in research-based high yield instructional strategies. We believe the student performance data shared in this report reflects the effectiveness of data analysis, instructional planning and implementation of high yield strategies at Loris Elementary School. Please keep in mind that PASS data included in the report is from the spring of 2013.

We realize the successes we've experienced at Loris Elementary School would not be possible without the efforts of many—including YOU! Thank you for your continued support and we look forward to future challenges and successes!

Mark Porter
Principal

Service Learning at LES

Each year Loris Elementary participates in several service learning projects. Food drives were held during Thanksgiving and Christmas holidays to support local area food banks. Monetary contributions were made to United Way of Horry County, The March of Dimes, The American Heart Association and The American Cancer Society. Loris Elementary also participates in the Horry County Solid Waste Authority Recycling Program

TITLE I INFORMATION

Loris Elementary Title I Information

Loris Elementary school receives Title I funding based on the percentage of students who qualify for free or reduced lunch—82.5% this year.

Each year the Title I School-wide Project Committee and School Improvement Council analyze Loris Elementary's school-wide plan to determine the effectiveness of current programs and to modify or adopt new programs and strategies for the following school year.

Title I Funds Supported the Following Initiatives During the 2013-2014 School Year:

- Primary Instructional Coach
- Reading and Math Intervention
- Substitutes for Teachers for Staff Development and Common Planning
- Instructional Supplies to Support Reading, Language, Mathematics, Science and Social Studies Instruction
- Technology Hardware, Software, Supplies and Training
- Home School Coordinator
- Workshops and Trainings for Teachers

A copy of the Loris Elementary Title I Plan is available in our school library for your convenience. Parents and staff are encouraged to contact Mr. Porter with suggestions for future Title I planning.
