

OBJECTIVE

To have all students successfully prepared to make the next educational transition.

STRATEGIES FOR SUCCESS

MBE will implement with fidelity the Common Core Curriculum standards in all areas.

MBE will integrate technology and academics to provide students with the necessary skills to become proficient 21st century learners and leaders.

MBE will implement an individualized program for each student to ensure that performance standards are met.

MBE will aggressively pursue the involvement and participation of families and the community to support the mission of the school.

MBE will provide a safe and secure environment.

MBE will promote the awareness of diversity and encourage the development of a community where all individuals are treated with mutual respect.

April 2014

Dear Parents,

The School Improvement Council for Myrtle Beach Elementary has prepared this School Summary Report for you and the members of our community who are interested in our school. The report reviews the progress made on our strategic plan for increasing student learning, the PASS (Palmetto Assessment of State Standards) test scores, and the goals to be accomplished during this school year.

MBES is a Title I school. We have accomplished many of our goals. Included in this achievement is our absolute rank of "Good" on our state report card. We believe we are making progress towards achieving the high standards we have set for ourselves.

If you have any questions about the information in this report or want a copy of the school's strategic plan, please call the school office (448-1774). You may also visit our website at <http://mbe.horrycountyschools.net>.

Michelle Greene-Graham, Principal

Our School ...

Myrtle Beach Elementary School houses approximately 700 students in second and third grade. Our attendance area covers all neighborhoods from Briarcliffe Acres to the old Air Force Base and west to the Intracoastal Waterway.
