

Our Mission:

We are growing a School Improvement Council that focuses on a partnership with family and community, provides improvement for student needs and enhances their achievement.

We are proud of Pee Dee Elementary's reputation as a family and community centered school. It takes parents, educators and the community to develop tomorrow's citizens. We would like to acknowledge and thank our **business and community partners for their support.**

Pee Dee Elementary is a Title 1 school and receives funding from the federal government. We welcome input from parents, school staff, and community members regarding our current and future Title 1 plans. A copy of our plan is located in the principal's office for your review.

Student Achievement

Student Achievement remains our highest priority second only to school safety. Although learning gaps from Covid were significant, we are well on our way to pre-Covid levels and working towards proficiency at every level.
