Waccamaw_Elementary](https://www.horrycountyschools.net/Waccamaw_Elementary)

The mission of Waccamaw Elementary School, a diverse and growing community of unique individuals, is to ensure that each child will experience optimal social, emotional, academic, and physical success through a challenging and progressive child-centered educational program in a safe and healthy learning environment.

Purpose of the Report

“This Report is issued by Waccamaw Elementary School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.”

Additional Information

Waccamaw Elementary School is located just outside of Conway, South Carolina and is a part of the Carolina Forest attendance area.

WES PTO sponsors numerous events for students and families such as: lunches for school staff, Winter Wonderland, purchase of a gift in honor of the fifth grade, among other things. They provide staff appreciation opportunities, volunteer, and support our school throughout the year.

We have numerous partnerships with a variety of local businesses that support our school. These range from Walmart, the Disney Store, and to local restaurants.

Local churches and other organizations have provided monetary support, school supplies, clothing and shoes, and gift cards for families in need.

The number of businesses and organizations that support our students, staff, and families are too numerous to name but everything they do is greatly appreciated.

SIC Annual Goals

The School Improvement Council's goal for 2021-2022 was to enhance the school environment, leading to a direct impact on student achievement.

SIC Project for 2021-'22

We are in the process of updating our front courtyard and picnic area. We have partnered with HGTC, CCU, CFHS Art Students, and Melanie Wellons. This project will continue through the 2022-2023 school year.

Completion date will be set at the first SIC meeting in the 2022-2023 school year.
