Dear Gator Families,

In a collaborative effort with our School Improvement Council, the School Summary Report has been prepared for your viewing. Our goal is to provide each Forestbrook Middle School stakeholder with sufficient information about our progress during the 2010-11 school year. Our team continues to strive for excellence. We will continue to utilize all of our tools and strategies to monitor student growth and progress. At FMS, we are committed to designing engaging lessons and using data to push each individual student toward excellence throughout the school year. Our teachers will continue to work with students to identify individual strengths and areas for improvement. We will utilize that information to tailor instruction so that each child has all the tools necessary to ensure the opportunity to achieve their goals. We have studied our curriculum and ensured pacing and sequence to the standards and our staff has worked intensely throughout the school year to ensure every student has many opportunities to grow and succeed. The young people of Forestbrook Middle School have risen to the challenge and we are confident that they will continue their success in the future.

Within this report you will see performance goals that we hope to accomplish, the most recent assessment scores, as well as celebrations and accomplishments of our students and teachers. Please take a moment to carefully read this report. You will enjoy its contents and if you have any questions or concerns, please feel free to contact me at any time at 236-7300.

Sincerely,
Mrs. April Scott
