April 15, 2014

Dear Parents,

The School Improvement Council for Myrtle Beach Intermediate has prepared this School Summary Report for you and the members of our community who are interested in our school. The report reviews the progress made on our strategic plan for increasing student learning, test scores, and the goals to be accomplished during this school year.

MBIS is a School wide Title I school. We are working toward meeting our goals that include achievement with our absolute rank of "Average" on our State Report Card.

In order for MBPS continuous growth and success requires the support of our parents, volunteers, the Parent Teacher Organization and our School Improvement Council.

If you have any questions about the information in this report or want a copy of the school's strategic plan, please call the school office (626-5831) You may also visit our website at <http://mbi.horrycountyschools.net>.

Deb Colliver, Principal
