

## SIC Annual Goals

- Build strong relationships with our community.
- Be transparent with our stakeholders.
- Implement new strategies that were identified by SIC.
- Use feedback from parents and the community effectively.

## Our Core Values

- We put service to students above all else.
- We take responsibility for the success of all students.
- We care passionately about our work with children.
- We build strong, positive relationships with students, staff, parents and community.
- We model and promote civility and integrity, humbleness, and a willingness to serve in our students. Our future leaders will have an appreciation for diversity and will be college and career ready.
