Tenets of Administration
Professionalism. Accountability. Respect

School Motto

Encourage students to give and be their absolute best.
Empower students with positive affirmations and support.
Elevate students toward their greatest potential.

Daily Affirmation

Today, I will strive to uphold our school motto. I have the power and ability to encourage, empower and elevate someone else. I know that I can be whoever I set my mind to be. I know that I can do whatever I believe in my heart that I can do. I know that I can go wherever I want in life when I give my absolute best. I believe that I am an important part of HRMS and will strive to uphold the highest standards.

Daily Mantra

We learn together.
We grow together.
If one of us fails...we all fail.
Failure's not an option.
Success is!
We will share in the teaching...and learning process.
We're all important.
We rise together.
We shine together.
Because there is no other way!
