

CHS Mission Statement

Our mission is to provide an environment where students feel inspired to become active, successful, productive, and confident members of society.

CHS Core Beliefs

1. We believe our commitment to excellence in academics, athletics, and extracurricular activities empowers students to change the world.
2. We believe in building positive, trusting relationships with our students, parents, and community.
3. We believe teacher collaboration leads to a supportive, challenging learning environment.
4. We believe the diversity of our school leads to compassion, empathy, and pride in our school and in our community.
5. We believe high expectations for student achievement drive all decisions.
6. We believe all students have the abilities to be productive members of society.
7. We believe in creating a safe learning environment for our students.
8. We believe students will become critical thinkers and lifelong learners through perseverance, collaboration, and communication.
9. We believe we make a difference on a daily basis.
10. We believe technology provides a powerful tool to support our mission and beliefs.

School Improvement Council Report

**One team. One town.
One Goal.**

About SIC

Mandated by law, the School Improvement Council (SIC) serves as an advisory group to Camden High School. The SIC plays a crucial role in school improvement by bringing together parents, educators, and community stakeholders who work collectively to establish, monitor and evaluate specific long-range goals for student achievement.

Other duties include producing the annual report to parents that outlines the progress of these goals and other school highlights and accomplishments.
