School Highlights and Awards

Lugoff-Elgin High School is a Palmetto Gold recipient and has received an Excellent absolute rating and Excellent growth rating on the South Carolina School Report Card for the 2012-2013 school year. We are a rural school that serves a diverse student population. We continue to implement 21st Century Learning Skills and use of up-to-date technology with one to one computing to enhance student engagement, achievement, and instructional delivery. We offer more rigorous mathematics and science courses at our Annex campus with a new Adult Education component coming online during the 2013-2014 school year. The expansion of the zeros are not permitted program along with the after school tutorial program provides academic support to our students and assists in improving the graduation rate continues to enhance the development and growth of our entire student body. The collaboration with Central Carolina Technical College enables us to expand our course offering and allow students to earn college credit while still enrolled in high school. Advanced Placement courses and our college preparatory course offerings continue to increase and the Advisor/Advisee program continues to assist in preventing dropouts through the constant monitoring of each student's Individualized Graduation Plans.
