SIC Annual Goals

The purpose of the Palmetto Middle School SIC is to establish and meet annual goals that lead to the overall environment, culture, and student achievement of the school. This year, the SIC will focus on supporting the teachers and administration as it implements “Inclusion Instruction” for the very first time

“For more information, you may view Myschool’s “S.C. School Report Card” for the previous school year online at www.ed.sc.gov.”

Student Achievement

Palmetto Middle School implemented, for the second year in a row, a true “Inclusion” program in order to serve our students that need the most assistance. We are very eager to report that the gains that we saw out of these classes this Winter and Spring were significant and were statistically the classes that achieved the most growth in the school. We look forward to building upon our 20-21 efforts as we prepare for the 2021- 22 incoming school year
