

# Camden Elementary Annual Report to Parents 2020-2021 School Improvement Council

## WHO ARE WE???

CAMDEN ELEMENTARY SCHOOL IMPROVEMENT COUNCIL IS MADE UP OF PARENTS, TEACHERS, AND SCHOOL ADMINISTRATION. OUR SIC MEETS MONTHLY.

**Galloping to Greatness**

## SIC Goals:

- Title 1 Planning
- Reading Engagement
- Data Analysis
- Event Planning/ School Climate
- Empowering students, teachers, and parents
- Personalized learning

## Mission:

The mission at Camden Elementary School is to increase student achievement by providing students challenging opportunities through technology and in a safe nurturing environment.

## Vision:

Camden Elementary School is a place of learning. At our school, all children will experience a passion for learning through a partnership with family, school and community.

CES was awarded the Innovative Arts Works Grant of \$4,000 for the Music Makers Project.

Our fundrasing efforts over the past two years raised over \$20,000 to fund our outdoor area.

## A note from Mrs. Goodwin:

We are proud of our accomplishments at CES this year. The COVID-19 pandemic presented us with several challenges this year, but we were still able to focus on academic growth from our virtual and face to face students. Our school utilized personalized learning and students worked hard to earn trophies using our Exact Path program. Our parents and community members supported us with several fundraising efforts, to help create additional outdoor classroom space for our teachers and students to use during the day. We had an awesome school year and we appreciate all of your support at CES where we are galloping to greatness!

## 2020-2021 MAP Data

**88% Math  
83% Reading**

Percentage of students who grew from Fall to Winter on MAP Assessment

**56% Math  
54% Reading**
