

History Of Our School

LES, the first all-electric elementary school in Kershaw County, was dedicated in August 1967. The original building, which was built to house 600 students, had two classroom buildings and an administration wing, which housed administrative offices, the library, cafetorium, and the health room. This facility was expanded in **1984** and presently consists of an administrative wing, cafeteria, multi-purpose room and three classroom wings.

School Statistics:

Enrollment: 600 White: 63%

African American: 27% Hispanic: 3.5%

Other: 6.2%

Report Card Rating: Excellent

Meets: One Tuesday of Each Month @ 5:30 PM

ALL Parents Are Invited To Attend!

Mission Statement:

The mission of Lugoff Elementary School is to develop competent, confident, lifelong learners by creating a safe, child-centered environment where the school and community collaborate to help students attain their maximum potential.

Programs

Be Great: When school lets out until you pick your child up, they will be involved in fun and purposeful programming. Latest pick up time is 6:30 pm. You can choose either weekly or daily involvement.

iXL.com/Study Island/Reading Eggs/Classworks: Instructional interventions using computer software to meet each learner's needs.

PBIS: Positive Behavior Interventions and Support: a school-wide behavior management plan based on positive reinforcement.

Response to Intervention (RTI): A systematic approach to identifying academic or behavioral concerns and developing plans to provide additional support (interventions) to students to address their needs.

Robotics: A program designed to get children excited about science and technology.

All Pro Dads: A monthly breakfast to encourage dads to eat breakfast with their children at school and participate in 45 lessons of fatherhood and family topics.

ABE: A web-based behavior intervention program that supports positive behavior and provides easy access to interactive interventions.

LIFE Grant: A grant funded afterschool program that uses a customized, research based learning model featuring intensive academic support, innovative enrichment activities, and essential social and emotional development opportunities for qualifying students in grades 1 - 5.
