Mission Statement:

Mt. Pisgah Elementary, with its strong family and community support, strives to meet the needs of each individual student by providing a positive, challenging, and safe environment that facilitates success, promotes lifelong learning, and develops responsible citizens.

We provide an environment that focuses on being “Always Positive, Always Caring, and Always Learning.”

SIC Annual Goals:

Our School Renewal Plan Goals are monitored throughout the year by our School Improvement Council (SIC), administration, and faculty. The SIC serves as an advisory group to Mt. Pisgah Elementary. The SIC brings parents, educators, and community stakeholders together to collaboratively monitor, establish, and evaluate specific long-range goals for Mt. Pisgah Elementary.

School Renewal Plan Goals:

Student Achievement:

By the end of the 2022-2023 school year, ELA & Math scores for students in grades three through five will increase by 25 percentage points in the category of “meets” or greater as determined by their SC Ready scores.

Progress:

- Analyze SC Ready ELA & Math scores making note of instructional strengths/weaknesses and trends.
- Regularly educate/inform staff about RTI processes that highlight interventions for students. Investigate research proven methods for closing the achievement gap of students living in poverty, learned from conferences.
- Utilize research proven intervention programs to assist struggling students (SRA, LLI, Classworks).

Teacher/Administration Quality:

From 2018-2023, Mt Pisgah Elementary teachers’ average days of professional development per teacher will increase to 10.6 days/teacher from the 2013-2018 average of 7.6 days/teacher, as measured and reported by the school’s State Report Card.

Progress:

- Provide professional development opportunities for all teachers via content specific conferences.
- Utilize the school day and substitutes for Professional Learning Communities focused on data analysis.
- Provide professional development opportunities specific to F & P, reading/writing workshop, and ELA Intervention.

School Climate:

From 2018-2023, the average number of Mt. Pisgah Elementary parents that are satisfied with the social and physical environment will increase 5 percentage points from the 2013-2018 average of 88.8% to 93.8% as measured by the annual parent survey and reported on the school’s State Report Card.

Progress:

- Conduct parent surveys at the beginning of the school year to gather a baseline for improvement.
- Implement social/ behavioral/ character programs and events into the school day and extracurricularly.
- Explore avenues to beautify and/or improve facilities, buildings, and classrooms.
- Hold community stakeholder meetings when deciding how to allot public referendum funds towards facilities, buildings, and classrooms.
