# Mt. Pisgah Elementary

5160 Mt. Pisgah Road  
Kershaw, South Carolina 29067

## Expect the Best

## Accept Nothing Less

2011-2012  
School Summary Report  
Duane Pate, Principal  
Mt. Pisgah Elementary School  
School Summary Report

## Major Accomplishments of 2011-2012

1. Student Achievement: Significant gains in standardized testing scores were attained during the 2011 PASS administration. Our Absolute and Improvement Ratings were both Average on our Annual School report card.
2. Attendance: Our student and teacher attendance increased from the previous year.
3. Accreditation: Mt. Pisgah is under continuing accreditation status for SACS and has received an **All Clear** status from the State Department of Education.
4. School Renewal Plan: Mt. Pisgah follows the Act 135 Plan developed during the 2011-2012 school year.
5. Technology: Our students receive direct instruction in our computer lab on a weekly basis. Our students receive two additional computer lab sessions per week for *Success Maker* and A+ instruction. MTP also has two laptop carts that are checked out by classroom teachers each day.
6. Instruction: Mt. Pisgah's teachers use data from *PASS* and *MAP* to drive instruction. This allowed us to meet *AYP* for an eighth consecutive year.
7. Staff Development: Five of our teachers are National Board Certified. Our teachers are fully trained to implement *MAP* testing and *Testview*, our data synthesis program. *SmartBoards* are in each classroom and utilized daily to enhance instruction.
8. Mt. Pisgah Elementary School is a Red Carpet award-winning school.
9. Developed *Pisgah Pals*-adult tutoring program for targeted students and *Pisgah Partners*-business relationships with local businesses in our community.
10. *Read With Your Child Day* occurs once each nine weeks in the afternoon.
11. Implemented *Storytelling Extravaganza* once each semester.
12. Continued *Ram Review nights to highlight instruction and student achievement.* and School-wide Veteran's Program. Participation increased from prior year.
13. Mt. Pisgah Elementary is a PBIS School with high expectations for student behavior.

## Major Goals for 2012-2013

1. Student Achievement: Increase achievement on the PASS test which will be reflected on our annual school report card performance.
2. Attendance: Strive to increase student and teacher attendance. Our goal is to keep our student attendance above 95.3%.
3. Technology: Continue use of our school-wide wireless network to enhance teacher technology proficiency. Continue implementation of *Success Maker* in our computer lab to target students based on data from *PASS* and *MAP*. Use *Success Maker* and A+ software to reinforce instruction.
4. Staff Development: Focus on Differentiated Instruction as well as follow up sessions with *Smartboard* and *Everyday Math* and implementation of Common Core Standards
5. School Renewal Plan: Implement year five of the Act 135 five-year renewal plan.
6. Accreditation: Achieve an **All Clear** status by the State Department of Education and receive continuing accreditation status from SACS.
7. Parental Involvement: Continue with a minimum of two parent conferences, four *Read With Your Child* days two *Storytelling Extravaganzas* and a school-wide Christmas program.
8. School Behavior and Discipline: Continue to use the PBIS Discipline programs. Continue student council.
9. Select students and implement a School Safety Patrol.
10. Community Involvement: Continue our *Pisgah Pals* and *Pisgah Partners* programs.
11. Schedule at least two community involvement events such as Fall Festival and Spring Fling.
12. Continue Focus Groups for each grade during school year to prepare for PASS and state standards.
