Our annual report to parents is developed by our Title I Coordinator and School Improvement/PTO Council. This report highlights our schools' progress on our school goals and student achievement. This report also shares challenges and successes for the current school year. We are one school with many stories. Thank you for allowing us share our story with you!

MAP stands for Measures of Academic Progress. Students take this computer based assessment in the fall, winter, and spring to assess reading and math progress in grades K - 5.

Dibels is an assessment used to measure early literacy behaviors in grades K - 3.

MAP Math At or Above Benchmark

Kindergarten: 76%
 1st Grade: 60%
 2nd Grade: 47%
 3rd Grade: 71%
 4th Grade: 59%
 5th Grade: 61%

Data is from Spring 2023

Dibels Reading At or Above Benchmark

Kindergarten: 84%
 1st Grade: 61%
 2nd Grade: 67%
 3rd Grade: 66%

MAP Reading At or Above Benchmark

Kindergarten: 77%
 1st Grade: 67%
 2nd Grade: 59%
 3rd Grade: 75%
 4th Grade: 69%
 5th Grade: 66%

PROGRESS ON SIC GOAL FOR 2022-2023

Our School Improvement Council and P.T.O meets once a month to work collaboratively with our school leaders to create goals and progress monitor each year. This year our goals included implementation of school clubs, social emotional learning support through class morning meetings, and implementation of events to increase parental involvement.

Our SIC/PTO assisted in finding community partners to sponsor student clubs. These clubs focused on the whole child and included yoga, running and fitness, community service awareness, boys and girls groups to focus on relevant topics of interest to students, chorus and art. Community partners provided informational sessions and business partners provided the necessary materials needed to effectively implement weekly sessions.

Through the implementation of a social-emotional learning curriculum, Second Steps, our school adapted common language and norms to help students skills to include nurturing positive relationships, managing emotions, and setting goals. These skills assisted with their overall academic and social-emotional success.

Our SIC/PTO continues to strengthen our school's climate and culture by sponsoring several events to include: Bullpup Bash, parent vs. student kick-ball games, Sweetheart Dance, Bullpup Holiday Night, as well as staff gatherings and celebrations.

Awards & Accomplishments

- SC NSPRA Rewards for Excellence in Social Media
- SC NSPRA Rewards for Excellence for Digital Newsletters
- Distinguished Arts Program (DAP) Art Grant
- District TOY, Corey Johnson, 4th Grade

Community Partners

- Original Six Foundation
