## ABOUT SIC

*Mandated by law, the School Improvement Council (SIC) serves as an advisory group to Woolard Technology Center. The SIC plays a crucial role in school improvement by bringing together parents, educators, and community stakeholders who work collectively to establish, monitor and evaluate specific long-rang goals for student achievement.*

*Other duties include producing the annual report to parents that outlines the progress of these goals and other school highlights and accomplishments.*

## SIC MEMBERS

WTC STUDENT POPULATION BY SCHOOL

## WTC Annual Goals

### 1. High Student Achievement

98% of career and technology education students (identified by CIP code) will be a career and technology education (CTE) completers in a program of study.

### 2. Faculty Professional Development

75% CTE teachers in the district will be certified to offer certifications on the career readiness list and/or SCDE CTE list of certifications.

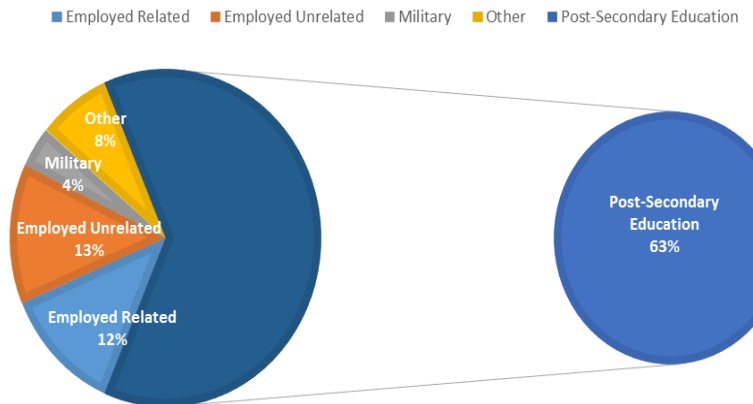

### 3. Parent and Community Involvement

Increase positive interactions teachers have with parents to 80% from 55%

## ACCOMPLISHMENTS

- ◇ **326** Students earned 3 or 4 units in a single program to be a state “CTE Completer”.
