## ABOUT SIC

*Mandated by law, the School Improvement Council (SIC) serves as an advisory group to Woolard Technology Center. The SIC plays a crucial role in school improvement by bringing together parents, educators, and community stakeholders who work collectively to establish, monitor and evaluate specific long-rang goals for student achievement.*

*Other duties include producing the annual report to parents that outlines the progress of these goals and other school highlights and accomplishments.*

## SIC MEMBERS

WTC serves approximately 1,200 students each year. Our fall and spring semesters average 600 students each from Lugoff-Elgin, Camden and North Central High School.

WTC STUDENT POPULATION BY SCHOOL

## WTC Annual Goals

### 1. High Student Achievement

98% of career and technology education students (identified by CIP code) will be a career and technology education (CTE) completers in a program of study.

### 2. Faculty Professional Development

75% CTE teachers in the district will be certified to offer certifications on the career readiness list and/or SCDE CTE list of certifications.

### 3. Parent and Community Involvement

Increase positive interactions teachers have with parents to 80% from 55%

## ACCOMPLISHMENTS

- ◇ **337** Students earned 3 or 4 units in a single program to be a state “CTE Completer”.
- ◇ Students earned a total of **625** Industry certifications
- ◇ **17** Students earned dual enrollment credit in Early Childhood Education
- ◇ **131** Students participated in an CCR Internship
- ◇ **439** Students participated in a work based learning experience
- ◇ WTC Teacher of the Year - LeKeith Bufford (Web Design)
