The mission of Indian Land High School is to set high expectations through a comprehensive educational program that recognizes individual student needs, challenges them and prepares all students to become productive, responsible citizens of a diverse community.

### School Renewal Goals

Indian Land High School will...

1. Continue to assist student in a structured system of extra help for academic enrichment.
2. Continue to utilize student assessments and other data to improve test scores on EOC's, HSAP, SAT and ACT.
3. Continue to motivate student to meet high expectations by utilizing technology in classroom practices and providing parents with frequent feedback.
4. Continue providing students access to intellectually challenging CATE studies in high-demand fields that emphasize higher-level mathematics, science, literacy and problem solving skills.
5. Actively engage students in the learning process.

### School Revision Goals

Indian Land High School will...

- Continue to improve communications with parents/guardians and the community, emphasizing upcoming events and encouraging more participation in the school.
- Extend opportunities for students with specialized needs by providing necessary support and intervention programs.
- Continue to enhance our tutoring and mentoring programs.
- Provide an array of technology workshops to parents and students.
- Apply for grant funding to assist with projects and

Grow where you are planted.
