# About Our School

North Elementary is a Title 1 school located in the North section of downtown Lancaster. The staff and faculty at North Elementary have a common goal to promote excellence for every child academically and behaviorally. By fostering and nurturing creativity through hands-on activities, paired sharing, and small groups, teachers develop lifelong learning relationships with students that propel our students to unprecedented growth.

**“We seek to grow leaders out of every student by focusing on each student’s strengths and developing habits that help every student realize that there is a leader inside us all.”**

*~ Keishea Mickles, Principal at North Elementary*

North works as a team with parents and the community to meet the needs of each child. North teachers and staff are nurturing, creative, and resourceful. This, coupled with their highly collaborative nature, makes North teachers masters of their craft.
