INDIAN LAND MIDDLE SCHOOL

Indian Land Middle School earned an Excellent rating on the 2017-18 School Report Card. We have also earned recognition as a National School to Watch, a State School of Character, a National Promising Practices school, and a Palmetto Gold school. ILMS has collected numerous awards in music, robotics, academic challenge and dance competitions. Students consistently exceed school- and district-level expectations. These accomplishments, along with support from the community, keep us striving for more.

Indian Land Middle School incorporates project-based learning and lab-based instruction in our classes. We work to offer individualized learning that is also fast-paced. While our students have one-to-one access to technology, we continue to value learning time in the school's Media Center. ILMS provides career exploration and events, job shadowing opportunities, tours of our high school and district's career center, classroom guidance lessons, and Individual Graduation Planning conferences. We offer a variety of Encore classes including: STEM, Spanish, art, Media/Broadcasting, band, chorus, piano, and health/PE.

With a focus on literacy, each day our students have a dedicated reading time. This time allows for independent reading with student choice and for grade level novels with character education themes. Our teachers also focus on teaching/learning strategies to support our students. These strategies include communication/collaboration, thinking/problem-solving, questioning, expectations, and feedback. These reinforce the world class skills of the Profile of the South Carolina Graduate as well as support Indian Land Middle School's goal of 100% Success!
