Additional Information

PVMS Student Council 2018-19 Theme: *It’s in Our Hands to Make a Difference*. Our members carried out the theme as they worked very hard to support our school and community projects. 375 cans were collected for the United Christian Ministries. \$300 raised for the TuTu Desk Campaign. Portable desks are made available in areas of 3rd world countries where living conditions do not provide adequate equipment for student’s proper study. Supported the Reedy River Rotary Club (who sponsors our EAFK program) by selling plastic ducks for their annual duck derby fundraiser. \$340 collected for the March of Dimes. Our school yearbook staff received a Program of Excellence award from Jostens for the eighth year in a row! Finally, Our PTSO and School Improvement Council have once again proven to be tremendous assets for our school. Many thanks to all who participated and volunteered to help make our school improvement efforts such a huge success. We are fortunate to have the very best faculty and staff. I want to thank them for their ability to build and foster student relationships and create a positive learning environment for our school.
