

Laurens Middle School

Annual School Improvement Report to the People

2022 - 2023

SIC Annual Goals

THE GOALS OF THE 2022-2023 LMS SIC FOCUSED ON IMPROVING SCHOOL SAFETY AND CULTURE, INSTRUCTION, COMMUNICATION, AND FAMILY ENGAGEMENT.

Goal 1: Provide world-class safety and a positive school culture

- Daily use of metal detectors
- Full-time Laurens City Police Department School Resource Officer
- Staff training on "Stop the Bleed" and use of tourniquets
- Monthly and semester emergency drills using "I Love You Guys" standard response protocol
- Monthly school-wide safety assessments
- Identification of LMS core values
- Celebrations and recognitions of positive behavior

Goal 2: Provide world-class, high-quality instruction to increase student achievement

- Learning Walks conducted by the Instructional Leadership Team
- Feedback sessions with teachers following observations and learning walks
- Professional Learning Communities and Grade Level Meetings
- School and District Professional Development
- Planning sessions with Instructional Coach
- Discussions around data with Instructional Leadership Team
- Celebrations of student and staff achievements

Goal 3: Provide world-class communication and family engagement

- Weekly phone blasts to parents
- Regular use of Facebook to highlight school events
- Weekly staff newsletters
- Parent Events: Open House, 6th Grade Orientation, Title I Meeting
- Community Events: Service Projects, Christmas Parade
- Community Partnerships: Lunch & Learn, Greenville Drive, Laurens Public Library

Purpose of the SIC Report

This report is issued by the Laurens Middle School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the S.I.C., and other accomplishments during the school year.

Student Achievement

During the 2022-2023 school year, Laurens Middle School focused on high-quality instruction to improve student achievement. Students took the Measures of Academic Progress (MAP) test three times throughout the year to measure the progress of their learning. During the 2022-2023 school year, the following gains were made from Fall to Winter according to MAP results:

MAP Reading

+5.2 average point growth in 6th grade

+1.9 average point growth in 7th grade

+3.5 average point growth in 8th grade

MAP Math

+3.8 average point growth in 6th grade

+2.7 average point growth in 7th grade

+3.5 average point growth in 8th grade
