“Learning Every Second”

Laurens Elementary School continues to help all students develop world class knowledge and skills with appropriate life and career characteristics. We strive to provide a safe, caring, and academically challenging environment. We envision a culture of learning that promotes social, emotional, and academic growth. The faculty and staff of Laurens Elementary believe that the academic and personal growth of each child is our main priority. We offer a choice of Montessori education or LES Scholars educational program. Our educational program focus on academic innovation. The faculty at Laurens Elementary work in professional learning communities to design strategies and methods that will work for their students. Our theme, "Learning Every Second", sets the tone for relevant and rigorous instruction.
