### Renewal Goals

We are working to achieve the following goals:

- **to have 84% of students in grades 3-5 score "Met" or above in mathematics and reading as measured by PASS.**
- **to increase the number of students in 2nd grade scoring at or above the required RIT score on Measures of Academic Progress (MAP) in mathematics to 71% and to have the number of students on Dominie level of 9 increase to 70%.**
- **to continue the study of best practices in literacy and mathematics through professional development.**
- **to increase the number of parents participating in parenting activities & events that affect student achievement.**
