Report to the
Parents 2024–
2025

School Goal

In order to improve instructional outcomes at Gray Court-Owings Elementary/Middle School, the percentage of students meeting or exceeding expectations on the SC Ready assessment in ELA and math will increase by 10% from 2023-2024 to 2024-2025.

Our Plan of Action

- Master Teachers leading professional development through weekly Clusters
- Implementing math and ELA curriculum with fidelity
- Data driven decisions to target student learning in Tiers I, II, & III
- School-wide multilingual signage and other supports to positively impact Multilingual learners

Results

According to 2023-2024 SC Ready scores, the following percentages met or exceeded expectations:

ELA

- 29% of 3rd graders
- 30% of 4th graders
- 18% of 5th graders
- 29% of 6th graders
- 22% of 7th graders

Math

- 21% of 3rd graders
- 17% of 4th graders
- 17% of 5th graders
- 9% of 6th graders
- 12% of 7th graders

Successes and Opportunities

Successes

- Successful school-wide implementation of the LEARNS model
- Increasing growth and achievement from Fall to Spring MAP data (24-25)
- 5th Grade won the District Multiplication Challenge
- 1st Grade ranked in the 60th percentile for reading growth
- 2nd grade ranked in the 73rd percentile for reading growth
- Attendance recovery program implemented by 21st Century Afterschool Program
- Partnerships with community: snack bags, holiday meals, angel tree
- Positive school-to-home communication
- 5th Grade won the Michelin STEM challenge

Growth Opportunities

- Student attendance
- Community involvement
