SCHOOL CELEBRATIONS

- OGE partnered with community organizations to provide coats, backpacks, school supplies, food, snack packs, and other essentials to students and families. (Zion Lutheran, Mt. Hermon, Radius Church, Resource Financial)
- Encouraged Family Engagement with many opportunities during the year. Some of these events included new student tours, orientation for all families, End of Unit Classroom Celebrations, Read the Lawn Family Night, CERDEP Family Night (4K), Veterans Day Celebration, School Counselor Workshops, STEM Night, Fitness Night, and Economic Fair.
- Every student received a free pair of shoes and socks from SOLEStepping.
- Cocky's Reading Express visited our Patriots and gave each student a free book, encouraging our students about the power of reading.
- Encouraged reading with a school-wide reading program R.E.D. (Read Every Day). Students were celebrated for taking reading steps in their reading logs and earned weekly prizes.
- Continued our Schoolwide Character Incentive program, "I Got Caught..." to celebrate the students modeling our school motto Be Kind, Work Hard, Be Brave.
- Continued our Little Patriots program for 3 and 4-year-olds to prepare them for preschool and kindergarten.
- Continued our mentoring program, partnering community members with students.
- Community partnerships with our high school athletic students, having them read to our students and assist with field day.

EMPOWERING MINDS

- Morning Meeting, we focused on building classroom community and building personal character with our graduate profile skills.
- Teachers intentionally planned for small group instruction in reading and math to help students reach individual goals.
- Teachers participated in data team meetings where they triangulated student academic data to create math learning stations to spiral the standards, design small group instruction, and create exit tickets to measure growth.
- Continued Professional Learning Communities to grow professionally using ELA data and having guided discussions around strategies to grow readers.
- Aligned all professional learning around schoolwide goals to focus on increasing student math and reading levels.
- Labsite professional learning where teachers engaged in interactive learning with students to grow professionally with learning targets and success criteria for ELA and Math.

SCHOOL STATISTICS

School Report Card Results		
Academic Measure Rating Score	Academic Measure Rating Score	Academic Measure Rating Score
Academic Achievement	Average	16.92/35
Multilingual Learners' Progress	Below Average	2.95/20
Student Progress	Average	15.53/35
School Climate	Average	6.91/10

SCHOOL IMPROVEMENT EFFORTS

This year, the SIC prioritized inclusive play by launching a campus disc golf course. This addition bolsters our Unified Program, ensuring students of all abilities can engage in active, social learning together. Special thanks to the PTO for providing the financial support to bring this project to life.
