A MESSAGE FROM THE SIC

At White Knoll Elementary School, we value strong partnerships with our families. The School Improvement Council (SIC) provides an opportunity for parents to have a voice in supporting school goals, reviewing progress, and helping shape the direction of our school. Parents can get involved by attending SIC meetings, sharing input on school initiatives, and collaborating with school leaders to enhance student success. We encourage all families to participate and be active partners in making WKES the best it can be for our Timberwolf Cubs!

If you're interested in joining or learning more, please contact our SIC Chair or Principal. We'd love to have you involved!
