

School Achievements

During a year with COVID 19 restrictions we were not able to attend or host as many events as we have in the past. With that being said, our Band, Chorus, Strings, and Art students continued to grow and put on performances and an excellent Art Show this year.

Our Football Team was able to successfully complete their season during Covid

BMS Students raised over \$5,000.00 for charity this year and we surpassed \$100,000 raised for the American Heart Association over the past few years through our Hoops for Heart Program.

Mrs. Katie King was awarded our BMS Teacher of the Year for 2020-2021

Mrs. Teah Bailes has been selected as our BMS Teacher of the Year for the 2021-22 school year.

Our School and District successfully offered full time school and a Virtual Option for the entire school year.

Belton Middle School

Enrollment: 523

SIC Annual Goals

BMS will develop 3 - 5 new partnerships with local businesses and/or churches by the end of the 20-21 school year. BMS will invite new partners to share school resources and information with the families they serve.

School Renewal Goals

1 – By 2026, the average percentage of students scoring meets or exceeds, or the equivalent, on state assessments for ELA will be 70 % or above.

By 2026, the average percentage of students scoring meets or exceeds, or the equivalent, on state assessments for ELA will be 70 % or above.

2 – Annually, teachers and administrators will participate in high quality professional development that focuses on increasing teacher’s expertise in using engaging instructional strategies, motivating learners, and creating quality assessments aligned to district goals as evidenced by the number of professional development days and the teacher attendance rate. Goals for both measures are noted in the chart below on an annual basis.

3 – To provide purposeful, planned and progressive educational opportunities and intervention strategies that meet the social, emotional, intellectual, and physical needs of adolescent students. This will be measured using state report card data and disciplinary reports from Review 360 in regards to learning environment, social and physical environment, and school-home relations.

Student Achievement

State Report Card Ratings have been suspended with the Pandemic.

2020 Scores

There were no State Assessments Given this past school year due to being out for COVID and eLearning. Scores will be updated this year following testing in May.

“For more information, you may view Belton Middle School’s “S.C. School Report Card” for the previous school year online at www.ed.sc.gov.”
