This has been an amazing year at LMES! We are proud to announce that we have been chosen to move forward as a Leader in Me school through the Covey Foundation. We are proud of the work we have completed so far with our leadership model, and we hope you will see much more to come. Leadership Day and Student Led Conference Night are just a few of the wonderful activities that have exemplified our work. Our goal is to be among the few in the world recognized as a Lighthouse School. Look for more exiting things to come!
