This report is issued by the White Knoll High School School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.

School Improvement Goals

White Knoll High School's 2016-2017 School Improvement Council determined the following goals for the 2016-2017 school year. These goals were addressed and met in the SIC meetings throughout the school year, as well as in meetings with White Knoll students, teachers and administrators.

SIC Goals:

1. To review the Seven Correlates of Effective Schools
2. To determine the rights and responsibilities of all stakeholders in the school community
3. To review our core values and beliefs
4. To work with all stakeholders to develop a new mission and belief statement for White Knoll High School

Mission

Empowering ALL students to be productive, global citizens in the 21st century by fostering accountability, lifelong learning, and respect.

Core Values

Accountability...Lifelong Learning...Respect
