This report is issued by the White Knoll High School School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.

School Improvement Goals

White Knoll High School's 2017-2018 School Improvement Council established the following goals for the 2017-2018 school year:

SIC Goals:

1. To develop mutually beneficial relationships with parents and the community
2. To enhance the school's image and reputation in the community

These goals were addressed in SIC meetings throughout the school year, as well as in meetings with White Knoll students, teachers and administrators.

The goals were met due to the hard work and focus of committees designed to improve communication, host events which involved the community, and develop partnerships with businesses in the community.

Mission

Empowering ALL students to be productive, global citizens in the 21st century by fostering accountability, lifelong learning, and respect.
