

Brookland Cayce
continues to be a place
where I am proud to
send my child. I am
thankful for the
community my child is a
part of and the support
that the teachers and
administration have
shown them.

Report to the Parents

2024-2025

“Enter to Learn, Go Forth to Serve”

A Year of Intentionality

With a focus on student achievement and strong End of Course growth targets, we implemented our new 8 period hybrid bell schedule. Continuing on our success with daily HalfTime students who are struggling receive targeted intentional support. Our staff is dedicated to providing what is best for our students and the SIC works hard to support this mission.

Student Success

Academics

HalfTime allows our students the opportunity to have an hour long period each day to get what they need. Students are guaranteed 30 minutes of lunch. The other 30 minutes is used for required tutoring, intramurals, and socialization. A total of 2796 tutoring sessions were held this year, which equates to 1316 hours of individualized tutoring and tier 2 support. Teachers have a guaranteed 30 minutes of lunch, weekly collaboration time with their department, and built in time to provide tutoring and tier 2 support. Our AP enrollment continues to grow in the over 20 courses we offer. With a focus on tier 1 instruction, we hope to see much growth in our End of Course Exam scores.

Student Life

Brookland Cayce prides itself on its student programs. Student Government, ROTC, and much more continues to receive awards and support the school and community. Student Council worked to bring light to BC and its history. Our new dance program has provided students with yet another fine art to enjoy. Our chorus, band, orchestra, and theatre students continued to receive high marks in all of their state competitions.

Athletics

We continue to excel in all athletic programs and 13 of our teams reached playoffs. Our student athletes dedicate themselves to not only their academics, but all extracurriculars.

Goals of the SIC

The Brookland Cayce High School School Improvement Council hopes to:

- Build a relationship between Brookland Cayce and the community**
- Assist Brookland Cayce in its goal to make all students successful**
- Market Brookland Cayce and allow others to see the value in Lexington Two and Public Education**
- Support students and staff in all professional and academic goals**
