**What is School Improvement Council (SIC)?**

An SIC is a broad-based body intended to advise the principal and school, and is focused on helping to achieve school improvement. State law requires that every K-12 public school in South Carolina convene an SIC. The law states that it is the responsibility of the local school board to ensure SICs are constituted within each district. This includes career, vocational, and technical schools. Public charter schools may convene an SIC but it is not required by law.

**SIC Members**

- Christopher Dickey, Principal
- Angela Brown Betcher, Assistant Principal
- Jeffrey Hart, Chair
- Noel Pound, Parent/Vice Chair
- Barbara Moton, Community Member
- Tracie Broyles, Teacher
- Alexis Myers Jackson, Parent Liaison
- Katira Garcia Santos, Community Member
- Cheyenne Shumpert, Parent
- Melissa Edmundson, Community Member
- Brittany Boatwright, PTO Rep

**SIC Goal**

The School Improvement Council goal: Update the vision and mission statements for the new five year strategic plan.
