Principal's Message

Welcome to Batesburg-Leesville Elementary School! I am honored to be the principal of this amazing school family and am excited to share just a few of the phenomenal things happening at our school.

At BLES, we work hard to promote a culture of perseverance, work ethic, and belief in ourselves and each other. You may notice students wearing lanyards with pins and talking about clipping up on the behavior chart. Students have an opportunity to earn Panther PRIDE tickets on a daily basis which they can use to earn lanyards and pins. PRIDE is an acronym that stands for the following:

Positive

Respectful

Involved

Determined

Enthusiasm

Through this system, we firmly believe that we are addressing the skills that students need to be successful now and in the workforce later in life!

You may see students engaged in "Panther time" throughout the day. Our "Panther Time" differentiation blocks for ELA and Math are built into the day to provide opportunities for students to receive small group instruction, one-on-one instruction, and to collaborate with their peers. Technology is often integrated into learning stations at this time. Our students can hardly wait for "Panther time" each day! This also allows us to serve the needs of our students through Gifted and Talented, MTSS, and Special Needs. This is truly a time where students' learning is personalized based on their strengths and areas for growth.

This year we continued our Personalized Learning initiative through flexible grouping, flexible seating, learner pathways, learner profiles, and continuing the use of data notebooks throughout our school. Our teachers immersed themselves in the areas of personalized learning to grow professionally and provide our students with structures that make learning more meaningful. Teachers also developed Student Learning Progressions that allowed families to see what skills the class was learning, their child's current level of success, and the goal for mastery.

Our Related Arts Team has worked hard to provide opportunities to grow the whole child. Our PE department held our second ever Color Run. Our Arts department organized a talent show, hosted an art show, and performed the musical Descendants for our community. We also targeted STEM skills through our Maker Space Stations in the Media Center. Furthermore, we had our first cooking competition, "Chopped" and began our first ever student council.

Matthew Velasquez

Principal, BLES

2018-2023 School

Renewal Plan Goals

- By 2035, 90% of students will score a level two or higher on SC Ready by creating a more rigorous classroom environment and increasing support for at-risk students. By 2023, the percentage will increase from 74.2% to 79.5%.
- By 2035, 70% of English learners will achieve annual progress in English by the end of the 5th year in the EL program through supports for English learners. By 2023, the percentage will increase from 31% to 44%.
- By 2023, the percent of stakeholders satisfied with the social and physical environment on the EOC survey will increase by 1.5 percentage points a year to 95% for parents and 100% for teachers through facility upgrades and meeting students' social needs.

Lexington School District Three recently completed an external review process with AdvancED and received above the network average scores. The District and Batesburg Leesville Elementary School are fully accredited through AdvancED. As part of the process, the School Renewal Plan was updated. The BLES School Improvement Council and School Leadership Team will provide annual updates on progress towards our goals.

BLES Highlights

- PBIS Panther PRIDE system
- Implementation of Personalized Learning (data notebooks, learning paths, and flexible seating)
- Panther Time Differentiation and Enrichment block for both ELA and Math.
- Implementation of Lucy Calkins Writing Workshop this year.
- After School Tutoring Program
- Honors Choir
- Community Garden (AKA Sorority Partnership)
- Coding, STEM, and Makerspaces in our Media Center
- Dance Residency
- Family Reading Night
- Student Council
- Talent Show
- Chopped! Competiton
- Disney's Descendants
- Color Run
- Girls on the Run
