Our Goals

Our goal is to increase student achievement through establishing **Positive Relationships**, participating in **Purposeful Collaboration**, and providing **Intentional Instruction** to meet students' individual needs.

Our Strategies

- Establish committee to support Read to Succeed legislation
- Work with school leadership to improve literacy efforts and support social/emotional health
- Expand SIC's Chapin Readers and *Spring Sweep for Literacy* Book Drive

2017-18 Priorities

Priorities were identified by CES Staff & our SIC members during the Strategic Planning Process in 2016 and updated in 2017.

Our prioritized strategies for the 17-18 school year:

- 1) We will work collaboratively with other Chapin schools, SICs and community groups to address the opioid crisis and social/emotional health of our students.
- 2) We will employ research based instructional practices that provide challenging curricula and high expectations for all students in all curriculum areas.
- 3) We will provide opportunities for civic participation through community building and character development.
- 4) We will increase leadership opportunities and character development for students.

Highlights

SIC works in conjunction with school leadership to maintain and enhance school programs and events. SIC assists with calendar and event planning, responds promptly to address specific concerns from parents, and individual members volunteer daily to support school and reading initiatives.
