Our Goals

Our goal is to increase student achievement through establishing **Positive Relationships**, participating in **Purposeful Collaboration**, and providing **Intentional Instruction** to meet students' individual needs.

Our Strategies

- SIC's Chapin Readers and *Spring Sweep for Literacy Book Drive*
- Targeted and sustained professional development on Guided Math & Math Workshop
- Accountability for small group instruction through Classroom Mosaic observations and authentic teacher reflection

2016-17 Priorities

Priorities were identified by CES Staff & our SIC members during the Strategic Planning Process. Our prioritized strategies for the 16-17 school year:

- 1) We will employ research based instructional practices that provide challenging curricula and high expectations for all students in all curriculum areas.
- 2) We will provide opportunities for civic participation through community building and character development.
- 3) We will increase leadership opportunities and character development for students.

Specific action steps to address these strategies include: vertical and horizontal consistency in instructional planning, pacing, and student experiences. We will reintroduce Morning Meeting and The 7 Habits of Happy Kids.
