Renewal Strategies

Our students will

- increase literacy skills through learning activities that focus on comprehensive language arts proficiency.
- increase mathematical skills through learning activities that focus on comprehensive mathematical proficiency.
- demonstrate self-discipline and growth in social skills.
- utilize, evaluate, and refine the use of multiple strategies to solve a variety of problems in an integrated curriculum.
- increase academic achievement through the integration of the arts and arts instruction.

Nursery Road Elementary School - Arts Magnet is fully accredited by the State Board of Education and AdvancED. In the annual report to the S.C. Department of Education, no deficiencies were cited.

School Effectiveness

The percentages of each group surveyed that agree with statements on the 2020-2021 Needs Assessment Survey are given in the chart below.

Strands: A number of questions were asked for each strand. Percentages reflect response summaries for "Mostly Agree" and "Agree".	Teacher Survey 2021	5th Grade Student Survey 2021	5th Grade Parent Survey 2021
Strand I: I am satisfied with the learning environment in my school.	86.7%	92.2%	78.5%
Strand II: I am satisfied with the social and physical environment in my school.	75.5%	98.4%	83.1%
Strand III: I am satisfied with home-school relations.	84.4%	96.9%	76.9%

The following strategies for improvement have been approved by the Board of Trustees

- All 1st - 5th grade teachers administer, access, and utilize assessment results in Reading and Mathematics via Measures of Academic Progress (MAP) and NWEA to guide instruction.
- Related Area teachers integrate Math and ELA into their subject areas of Visual Arts, Media Arts, General Music, Instrumental Music, Dance/Theater, Spanish, and PE.
- All students K-5 are scheduled for computer lab time weekly to utilize Edmentum with a focus on either Math or Reading skills. Students also utilize Typing Quest to focus on keyboarding skills.
- A full-time Response to Intervention (RtI) Specialist/Reading Coach and Math Coach support instructional practices and professional development in grades 4K - 5th.
- Identified students in 4K and 5K receive Reading and Math instruction from reading and math interventionists based on their individual academic needs.
- Three full-time reading interventionists provide supplemental services to students in grades 5K- 5th through Leveled Literacy Intervention (LLI).
- 4K teachers and assistants receive professional development on the TPOT (Teaching Pyramid Observation Tool) model through a partnership with the University of South Carolina.
- Identified students in grades 5K- 5th receive specialized mathematics interventions in Number Worlds and other research-based curriculum from our math interventionists.
- All certified staff members participate in school-based committees focusing on: family and student involvement, public relations, Positive Behavior Intervention and Support (PBIS), South Carolina College and Career Ready (SCCCR) ELA Standards, and South Carolina College and Career Ready (SCCCR) Math Standards. They all monitor the implementation of the School Renewal Plan.
- Our Triage Team, consisting of Administrators and other school personnel with specialized training, meets weekly to address teachers or parent concerns about a student's academic or social growth. Students referred to the Triage Team are monitored for the duration of the school year.
- Quarterly Pinning Ceremonies are conducted to honor the accomplishments of students and encourage motivation toward individual goals. This initiative is led by our PBIS Committee.
- Pre-Game activities are offered to 4th and 5th grade students to encourage attendance and to support student interest and achievement.
- Forty-one interactive boards; two computer labs with 24 computers in each; 37 document cameras; 430 Chromebooks; 165 iPads; 111 classroom desktop computers, and 61 laptops, 9 MacBook laptops, 15 iMac desktops, and 2 3D printers support technology integration throughout all content areas.
- All teachers of Reading and Math participate in professional development on balanced literacy, small group instruction, and increasing rigor to challenge students to achieve maximum potential for growth in Math and Reading.
- Our Digital Integration Specialist (DIS) assists teachers with technology integration and planning.

- Ongoing recognitions, including Heart Act to Follow, continue to support and motivate students' social development and good character.
- Math Bowl, a problem-solving initiative, continues to support math achievement.
- Professional collaboration continues with Columbia College and the University of South Carolina bringing interns into Nursery Road Elementary School-Arts Magnet (NRES-AM).
- Our Student Government Association (SGA) offers students a voice at NRES-AM. Elected officials are chosen from 3rd, 4th, and 5th grade.
- Positive Behavior Intervention and Support (PBIS) supports behavior expectations. All teachers and staff use tickets and classroom incentives to encourage school-wide expectations.
- Innovative family events and activities continue to offer collaborative opportunities between our families and our community. Publix Family Math Night, Curriculum Night, and Reading Night are all examples of family activities which have been coordinated to support achievement and encourage family involvement.
- Facility upgrades this year have included: a digital marquee replacing our school sign to highlight our Arts Magnet theme and logo, a new state of the arts lighting and sound system in our Activity Arena, and classroom and hallway enhancements that align with our Arts Magnet theme.
- Students' learning experiences include dance and theater instruction, drums, keyboarding, guitars, puppetry, using the latest iMac computers and Genius 6 iPads, sculpting and making pottery using our pottery wheels, Spanish, and P.E.
- Our Watch D.O.G.S. (Dads of Great Students) continue to volunteer and mentor our students to assist in their social and emotional development and to promote school safety.
- A full-time School Resource Officer (SRO) is on campus at all times for safety and security.
- We continue to promote our academic standards and arts integration through our grade level performances throughout the year. Families and the community are involved in this effort.
- Our magnet teachers collaborate and plan with our classroom teachers to integrate the arts through daily instruction and activities.
- Teachers receive professional development in Cooperative Learning and The Actor's Toolbox to equip them with the skills for integrating the arts, encouraging student collaboration and promoting higher order thinking in the classroom.
